Mayor Trotman read **Agenda Item F, Summary — Closed Session Discussion — Robert W. Bruschi, Borough Administrator**

Mr. Bruschi reported that Council discussed Township issues including library parking, Northridge, and fire department matters.

Mayor Trotman read **Agenda Item G, Public Presentation**, and asked if anyone present wished to address the Council with an issue not on the agenda.

Councilman Martindell asked about the status of NHKT negotiations. Karen Cayci, Borough Attorney, said she expects to hear soon. Councilman Martindell asked about the status of the interlocal agreement with the township regarding reimbursement payments from Township to Borough. Mr. Bruschi replied that Council's resolution will be discussed by Township Committee at their next meeting.

Seeing no one further from the public, Mayor Trotman closed the public presentation and returned to Council.

Mayor Trotman read **Agenda Item H, Report (1) — Princeton Regional Health Department Annual Report — Dave Henry, Health Officer**

Mr. Henry presented the Health Department's mission statement, described his department and its partners in the community—in particular, a long and distinguished relationship with the hospital—and listed mandates. Mr. Henry stated his group protects public health through inspection, enforcement, prevention, and education. In addition, Health reaches out with individual projects such as Spanish language dog brochures and educational programs on diabetes and high blood pressure.

Mr. Henry presented Health's extensive list of goals and objectives patterned after UMDNJ School of Public Health's strategic plan. He noted that the department is close to zero burden to taxpayers and expects to maintain its infrastructure into the future.

Mr. Henry did not anticipate capital purchases (computers—five years, vehicles—ten years). When the hospital moves away from Borough, Health will participate in its downtown satellite community/education substation.

Mr. Henry discussed Princeton Regional Health Department's strong relationships with other health agencies, in particular as related to emergency preparedness and disaster coordination (Somerset Medical Center). In case of a severe threat, Health has "police power" to implement procedures to protect the public.

Councilman Koontz moved to accept the Health report.

Dudley Sipprelle, 375 Nassau Street, asked about Council's plans for formation of an emergency management office. Mr. Henry stated that requests for proposal for a community emergency response plan are presently under review. He said Health, Police, University, and hospital have a focus group to move forward with emergency preparedness.

Councilwoman Trelstad seconded Councilman Koontz's motion to accept. Council agreed six to zero.

Mayor Trotman read **Agenda Item H, Report (2) — Monthly Police Report** — *Nicholas Sutter, Police Lieutenant*

**RESOLUTION 2008-R239  
OF THE MAYOR AND COUNCIL OF THE BOROUGH OF PRINCETON  
APPROVING THE MONTHLY CHIEF OF POLICE REPORT**

**WHEREAS**, Anthony V. Federico, Chief of Police of the Borough of Princeton prepared a comprehensive report detailing the police activity for the month of August 2008; and

**WHEREAS**, the Mayor and Council reviewed said report at their Regular Meeting attended by Chief of Police Federico and made various inquiries of Chief Federico.

**NOW THEREFORE BE IT RESOLVED** that the Mayor and Council hereby accept the August 2008 Monthly police report prepared by the Chief of Police.

Sharon Papp, Police Lieutenant, stepped in for Lt. Sutter.

Councilwoman Trelstad asked about inspections of construction sites and pedestrian stops. Lt. Papp undertook to speak to University police about informing students on foot to obey traffic lights.

Councilman Martindell asked about using the three suspended police officers in other functions in the Borough. Lt. Papp updated Council that one officer will face a disciplinary hearing; prosecution is still pending for a second officer; the third officer has been indicted. Mr. Bruschi

stated he has spoken to a police special counsel about Borough's options and he expects a resolution soon.

Councilman Koontz proposed a policy that suspended officers be put on "desk duty" to give taxpayers some value from the expense. Mr. Bruschi noted that that can be done and has been done, but this case is more cumbersome than past situations and staff is proceeding cautiously. The option only applies to the officer released from prosecution—Borough has no jurisdiction over the others.

Noting that the delay was due to the caseload at Mercer prosecutor's office, Councilman Martindell pointed out that Borough could have hired an independent special prosecutor to handle situations expeditiously. He wondered what Borough can do to get Mercer prosecutors to move forward (a letter to the attorney general?).

Councilwoman Trelstad suggested writing Governor Corzine explaining Borough's frustration and the tremendous burden on taxpayers. Mayor Trotman agreed to begin with a letter to the prosecutor.

Councilwoman Trelstad moved to accept the police report, Council President Karcher seconded, and Council accepted unanimously.

Mayor Trotman read **Agenda Item H, Report (3) — Quarterly Financial Report** — *Robert W. Bruschi, Borough Administrator*

Sandra Webb, Chief Finance Officer, explained that "billing lag" refers to timing differences between billing and posting. Councilman Martindell asked for some line item clarifications and Ms. Webb complied.

Councilman Koontz addressed the uniform construction code fees, suggesting budget decisions be based on *anticipated actual* revenue (maximum of 100% of previous year) rather than—automatically—100% of previous year.

Councilman Goldfarb commended the format of the report and requested additional information on fire housing.

Councilman Koontz moved to accept the budget report, Councilwoman Trelstad seconded, and Council accepted unanimously.

Mayor Trotman read by title **Agenda Item I, New Business (1) — Introduction and Authorization To Publish: Ordinance 2008-29, AN ORDINANCE AMENDING SECTION 17A-179 REGARDING THE CLASSIFICATION AND APPROVAL OF MINOR SITE PLANS OF THE CODE OF THE BOROUGH OF PRINCETON NEW JERSEY, 1974.**

Council President Karcher moved to introduce Ordinance 2008-29; Councilman Martindell seconded.

Christopher Budzinski, Borough Engineer, clarified publication procedure for approved site plans.

Hearing no comment, Mayor Trotman called for a roll call vote. Borough Clerk called the roll. Council members Karcher, Goldfarb, Koontz, Martindell, Trelstad, and Wilkes voted in the affirmative. Councilman Koontz moved to introduce Ordinance 2008-30; Councilwoman Trelstad seconded.

Mr. Budzinski explained that the ordinance is the result of a “flood” of complaints about pool effluent. Mr. Bruschi suggested consulting Robert Hough, Manager of Princeton Sewer Operating Committee, before proceeding. Mr. Budzinski stated that Health Department would enforce for both construction and maintenance of pools based on complaints. Councilman Wilkes suggested amending pool applications, thereby informing pool construction companies who often do the follow-up maintenance.

Mayor Trotman opened the public discussion and asked if anyone wished to address Council on this issue. Seeing no one, she closed the public discussion and returned to Council. Hearing no comment, Mayor Trotman called for a roll call vote. Borough Clerk called the roll. Council members Karcher, Goldfarb, Koontz, Martindell, Trelstad, and Wilkes voted in the affirmative. Mayor Trotman proclaimed the ordinance introduced with a public hearing to be held November 5, 2008.

Mayor Trotman read by title **Agenda Item I, New Business (3) — Introduction and Authorization To Publish: Ordinance 2008-31** AN ORDINANCE AMENDING CHAPTER 28, STREETS AND SIDEWALKS OF THE CODE OF THE BOROUGH OF PRINCETON, NEW JERSEY 1974

Councilman Martindell moved to introduce Ordinance 2008-31; Councilwoman Trelstad seconded.

Mr. Budzinski clarified some language in the ordinance and Council discussed variations on numbers for new and existing buildings. Some minor changes in wording were made.

Mayor Trotman opened the public discussion and asked if anyone wished to address Council on this issue. Seeing no one, she closed the public discussion and returned to Council.
