

Cherry Valley Road Improvement Project

A Shared Services Project between Montgomery and Princeton

March 24, 2017

IMPORTANT NOTICE REGARDING CHERRY VALLEY ROAD TREE REMOVAL PROJECT

On Monday March 27th, weather permitting, Stonaker Tree Service, a subcontractor to Mazza Mulch, will complete tree removal along Cherry Valley Road for the road widening project scheduled for later this year.

Cherry Valley Road will be closed to through traffic between the intersection with Cherry Hill Road (Princeton side) and the intersection with George Drive (Princeton side) between 9:30 AM and 2:30 PM.

Detour signage will be posted to direct traffic around the work area. Should inclement weather occur, the work will be rescheduled to the next business day.

Residents can access their homes during work hours, but are advised to use caution and allow for additional travel time. Please be advised that vehicular access to your homes may not be consistently accommodated during work hours. For the safety of all involved, residents are asked to schedule residential service calls outside the working hours of 9:30 AM and 2:30 PM. Provisions will be made for emergency services vehicles and mail delivery.

Residents are advised to have their garbage and recycling ready the night before the pick-up day as the hauler has been requested to do a pick-up prior to work beginning work at 9 AM.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Richard Decker, Princeton Project Inspector – rdecker@princetonnj.gov or 609-751-6826 (cell)
- Jeff Laux, Princeton Construction Engineer – jlaux@princetonnj.gov or 609-751-6388 (cell)
- Lorraine Konopka, Municipal Arborist – lkonopka@princetonnj.gov or 609-688-2566 x7666

To facilitate ease of communication regarding the project, please email jredeyoff@princetonnj.gov to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Jeff Laux, Construction Engineer
