## **INDEPENDENT AUDITOR'S REPORT**

Honorable Mayor and Members of Princeton Council County of Mercer Princeton, New Jersey

and to the former

Honorable Mayor and Members of the Borough Council Borough of Princeton County of Mercer Princeton, New Jersey

## **Report on Financial Statements**

We have audited the financial statements - regulatory basis of the various funds of the Borough of Princeton (the "Borough"), in the County of Mercer, State of New Jersey, as of and for the years ended December 31, 2012 and 2011, and the related notes to financial statements as listed in the table of contents.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division"). Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the Unites States of America, audit requirements prescribed by the Division and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

## Auditor's Responsibility (Continued)

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, these financial statements have been prepared in conformity with accounting principles prescribe the Division, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with statutory and regulatory requirements of the State of New Jersey. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

## Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for the Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to in the first paragraph, do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Borough as of December 31, 2012 and 2011, and the results of it operations for the years then ended.

## Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements - regulatory basis referred to above, present fairly, in all material respects, the financial position of the various funds of the Borough as of December 31, 2012 and 2011, and the results of operations and changes in fund balance, where applicable, of such funds, thereof for the years then ended in accordance with accounting principles on the basis of financial reporting provisions prescribed by the Division, as described in Note 1.

## Other Matters

## Other Information

As discussed in Note 15 to the financial statements the Borough of Princeton and the Township of Princeton merged effective January 1, 2013. Our opinion is not modified with respect to this matter.

## Other Matters (Continued)

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough's basic financial statements. The supplementary financial schedules listed in the table of contents are required by the Division and are presented for purposes of additional analysis and are not a required part of the financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular Letter A-133, *Audits of States, Local Government and Non-Profit Organizations*, and is also not a required part of the financial statements.

The supplementary financial schedules and the schedule of expenditures of federal awards, referred to in the preceding paragraph, are the responsibility of management and were derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary financial schedules and the schedule of federal awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 15, 2013, on our consideration of the Borough's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Borough's internal control over financial reporting and compliance.

### NOTES TO FINANCIAL STATEMENTS

### YEAR ENDED DECEMBER 31, 2012

### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### A. Reporting Entity

The financial statements of the Borough of Princeton, County of Mercer, New Jersey (the "Borough"), include every board, body, office or commission supported and maintained wholly or in part by funds appropriated by the Borough as required by N.J.S. 40A:5-5. The financial statements of the Borough do not include the operations of the Board of Education, first aid organization or volunteer fire companies which are subject to separate audits.

The Governmental Accounting Standards Board ("GASB") Statement 14 established criteria to be used to determine which component units should be included in the financial statements of the oversight entity. The criteria differ from the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division") requirements where certain boards, commissions, and agencies of the Borough, by statute or other directive, report separately on their financial statements. The Borough had no component units in 2012.

### B. <u>Descriptions of Funds</u>

The GASB is the recognized standard-setting body for establishing governmental generally accepted accounting and financial reporting principles.

The accounting policies of the Borough conform to the accounting principles applicable to municipalities which have been prescribed by the Division. Such principles and practices are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Under this method of accounting, the Borough accounts for its financial transactions through the following separate funds which differs from the fund structure required by generally accepted accounting principles ("GAAP"):

<u>Current Fund</u> - revenues and expenditures for governmental operations of a general nature, including federal and state grant funds.

Animal Control Trust Fund - animal control license revenues and expenditures.

Other Trust Fund - sundry deposits held for satisfactory completion of specific work; receipts and disbursements for dedicated purposes.

**General Capital Fund** - resources, including Federal and State Grants in aid of construction, and expenditures for the acquisition of general capital facilities, other than those acquired through the Current Fund, including the status of bonds and notes authorized for said purposes.

### NOTE 1. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)</u>

### B. <u>Description of Funds (Continued)</u>

Affordable Housing Utility Operating Fund - revenues and expenditures necessary to operate a municipally-owned affordable housing utility.

Affordable Housing Utility Capital Fund - resources, including federal and state grants in aid of construction, and expenditures for the acquisition of affordable housing capital facilities, other than those acquired through the Current Fund, including the status of bonds and notes authorized for said purposes.

<u>Assessment Trust Fund</u> - used to account for the financing of local improvements deemed to benefit the properties against which assessments are levied.

<u>Parking Utility Operating Fund</u> - revenues and expenditures necessary to operate a municipally-owned parking utility from user fees.

<u>Parking Utility Capital Fund</u> - resources, including federal and state grants in aid of construction, and expenditures for the acquisition of parking utility capital facilities, other than those acquired through the Current Fund, including the status of bonds and notes authorized for said purposes.

<u>Public Assistance Trust Fund</u> - receipt and disbursement of funds that provide assistance to certain residents of the Borough pursuant to Title 44 of New Jersey Statutes.

<u>Payroll Fund</u> - receipt and disbursement for payroll costs and payroll taxes.

<u>General Fixed Assets Account Group</u> - used to account for fixed assets used in general government operations.

### C. Basis of Accounting

The accounting principles and practices prescribed for municipalities by the Division differ in certain respects from GAAP applicable to local governmental units. The more significant differences are as follows:

A modified cash basis of accounting is followed with minor exceptions.

<u>Property Taxes and Other Revenues</u> - property taxes and other revenues are recognized on a cash basis. Receivables for property taxes and other items that are susceptible to accrual are recorded with offsetting reserves on the balance sheet of the Borough's Current Fund. GAAP requires such revenue to be recognized in the accounting period when they become susceptible to accrual, reduced by an allowance for doubtful accounts.

<u>Grant Revenues</u> - Federal and State grants, entitlement or shared revenues received for purposes normally financed through the Current Fund are recognized when anticipated in the Borough's budget. Federal and State grant revenues received for purposes of capital projects financed by capital ordinances are recognized when received. GAAP requires such revenues to be recognized in the accounting period when they become susceptible to accrual.

### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### C. <u>Basis of Accounting (Continued)</u>

**Expenditures** - unexpended or uncommitted appropriations, at December 31, are reported as expenditures through the establishment of appropriation reserves unless cancelled by the governing body. GAAP requires expenditures to be recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, which should be recognized when due.

**Encumbrances** - contractual orders at December 31, are reported as expenditures through the establishment of a reserve for encumbrances. Encumbrances do not constitute expenditures under GAAP.

<u>Appropriation Reserves</u> - are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as additions to income. Appropriation reserves do not exist under GAAP.

**Deferred Charges** - the regulatory basis of accounting utilized by the Borough requires that certain expenditures be deferred, and raised as items of appropriation in budgets of succeeding years. These deferred charges include the two general categories, overexpenditures and emergency appropriations. Overexpenditures occur when expenditures recorded as "paid or charged" exceed available appropriation balances. Emergency appropriations occur when, subsequent to the adoption of a balanced budget, the governing body authorizes the establishment of additional appropriations based on unforeseen circumstances or for other special purposes as defined by statute. Overexpenditures and emergency appropriations are deducted from total expenditures in the calculation of operating results and are established as assets for Deferred Charges on the respective balance sheets. GAAP does not permit the deferral of overexpenditures to succeeding budgets. In addition, GAAP does not recognize expenditures based on the authorization of an appropriation. Instead, the authorization of special purpose expenditures, such as the preparation of tax maps or revaluation of assessable real property, would represent the designation of fund balance. The status of deferred charges at December 31, 2012 is set forth in Note 9.

<u>Compensated Absences</u> - expenditures relating to obligations for unused vested accumulated vacation and sick pay are not recorded until paid. GAAP requires that the amount which would normally be liquidated with expendable available financial resources be recorded as an expenditure in the Current Fund and the remaining obligations be recorded as a long-term obligation. The expenditures in the Water Utility Operating Fund would be on a full accrual basis. The compensated absence liability at December 31, 2012 is set forth in Note 4.

<u>Property Acquired for Taxes</u> - is recorded in the Current Fund at the assessed valuation when such property was acquired and fully reserved. GAAP requires such property to be recorded at its market value.

<u>Sale of Municipal Assets</u> - Cash proceeds from the sale of Borough owned property may be reserved until utilized as an item of anticipated revenue in a subsequent year budget. Year end balances of such proceeds are reported as a cash liability in the Current Fund. GAAP requires that revenue be recognized in the accounting period that the terms of sales contracts become legally enforceable.

<u>Interfunds</u> - advances in the Current Fund are reported as interfund receivables with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. GAAP does not require the establishment of an offsetting reserve.

### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### C. Basis of Accounting (Continued)

<u>Inventories of Supplies</u> - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various balance sheets. GAAP requires that the cost of inventories be reflected on the balance sheet until utilized and expended.

<u>General Fixed Assets</u> - In accordance with the New Jersey Administrative Code the Borough is in the process of developing a perpetual fixed assets accounting and reporting system.

Fixed assets used in governmental operations (general fixed assets) are required to be accounted for in the General Fixed Assets Account Group. Public domain ("infrastructure") general fixed assets consisting of certain improvements other than buildings, such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized.

Depreciation is not recorded in the General Fixed Assets Account Group.

GAAP does not require utilization of a general fixed asset account group.

All fixed assets are valued at historical cost or estimated historical cost if actual historical cost is not available.

Expenditures for construction in progress are required to be recorded in the Capital Funds until such time as the construction is completed and put into operation.

Fixed assets acquired through grants in aid or contributed capital have not been accounted for separately.

Utility Fixed Assets - Accounting for utility funds "fixed capital" remains unchanged.

Property and equipment purchased by the Affordable Housing and Parking Utility Funds are recorded in the capital account at cost and are adjusted for disposition and abandonment. The amounts shown do not purport to represent reproduction costs or current value. Contributions in aid of construction are not capitalized. The balance in the Reserve for Amortization and Deferred Reserve for Amortization accounts in the utility capital fund represent charges to operations for the costs of acquisitions of property, equipment and improvements.

Property and equipment of the Affordable Housing and Parking Utility Funds are not depreciated. Principal payments for utility debt are recorded as expenditures in the Affordable Housing and Parking Utility Operating Funds.

### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### C. Basis of Accounting (Continued)

During 2012 and 2011 the following changes occurred in the fixed assets of the Borough:

### D. Financial Statements

The GASB Codification requires the financial statements of a governmental unit to be presented in accordance with GAAP. The Borough presents its financial statements in accordance with another comprehensive basis of accounting as promulgated by the Division which differs from the financial statements required by GAAP. In addition, the Division requires the financial statements to be referenced to the supplementary schedules. This practice differs from GAAP.

### E. Budgets and Budgetary Accounting

An annual budget is required to be adopted and integrated into the accounting system to provide budgetary control over revenues and expenditures. Budget amounts presented in the accompanying financial statements represent amounts adopted by the Borough and approved by the Division in accordance with applicable statutes.

### NOTE 2. CASH AND CASH EQUIVALENTS

### A. Deposits

New Jersey statutes permit the deposit of public funds in institutions located in New Jersey which are insured by the Federal Deposit Insurance Corporation ("FDIC"), or by any other agencies of the United States that insure deposits or the State of New Jersey Cash Management Fund.

New Jersey statutes require public depositories to maintain collateral for deposits of public funds that exceed insurance limits as follows:

The market value of the collateral must equal five percent of the average daily balance of public funds; or

If the public funds deposited exceed 75 percent of the funds of the depository, the depository must provide collateral having a market value equal to 100 percent of the amount exceeding 75 percent.

All collateral must be deposited with the Federal Reserve Bank, the Federal Home Loan Bank Board or a banking institution that is a member of the Federal Reserve System and has capital funds of not less than \$25,000,000.

At year-end the carrying amount of the Borough's deposits was \$17,135,328 and the bank balance amount was \$17,314,835. Of this amount \$750,000 was covered by federal depository insurance, \$445,343 was in the State of New Jersey's Cash Management Fund and a collateral pool under New Jersey's Governmental Unit Deposit Protection Act covered \$14,115,895. An amount of \$2,003,597 was on deposit in the name of various developers for escrow and is insured by federal depository insurance or uninsured depending on the deposits of the individual developer in the depository.

### B. <u>Investments</u>

- a. When authorized by a cash management plan approved pursuant to N.J.S. 40A:5-14, the Borough may use available funds for the purchase of the following types of securities which, if suitable for registry, may be registered in the name of the Borough:
  - (1) Bonds or other obligations of the United States or obligations guaranteed by the United States.
  - (2) Government money market mutual funds.
  - (3) Any obligation that a federal agency or a federal instrumentality has issued in accordance with an act of Congress, which security has a maturity date not greater than 397 days from the date of purchase, provided that such obligation bears a fixed rate of interest not dependent on any index or other external factor.
  - (4) Bonds or other obligations of the Borough, or bonds or other obligations of school districts of which the Borough is a part or within which the school district is located.

### NOTE 2. CASH AND CASH EQUIVALENTS (CONTINUED

### B. Investments (Continued)

- a. (5) Bonds or other obligations, having a maturity date not more than 397 days from the date of purchase, approved by the Division of Investments, New Jersey Department of the Treasury.
  - (6) Municipal investment pools.
  - (7) Deposits with the State of New Jersey Cash Management Fund established pursuant to section 1 of P.L. 1977, c. 281; or
  - (8) Agreements for the repurchase of fully collateralized securities, if:
    - (a) the underlying securities are permitted investments pursuant to paragraphs (1) and (3) of this section;
    - (b) the custody of collateral is transferred to a third party;
    - (c) the maturity of the agreement is not more than 30 days;
    - the underlying securities are purchased through a public depository as defined in section 1 of P.L. 1970, c. 236 (C.17:9-41);
    - (e) a master repurchase agreement providing for the custody and security of collateral is executed.
- b. Any investment instruments in which the security is not physically held by the Borough shall be covered by a third party custodial agreement, which shall provide for the designation of such investments in the name of the Borough and prevent unauthorized use of such investments.
  - c. Investments are further regulated and restricted in accordance with N.J.S. 40A:5-15.1.

The State of New Jersey Cash Management Fund is authorized by statute and regulations of the State Investment Council to invest in fixed income and debt securities which mature within one year. Collaterization of Fund investments is generally not required. "Other Than State" participants contribute up to one twentieth of one percent per year of the value of the aggregate units owned by them to establish a Reserve Fund, which is supplemented by the proportional interest of "Other Than State" participants in gains on investment transactions realized. The Reserve Fund is available to cover losses of "Other Than State" participants occasioned by the bankruptcy of an issuer of an investment held by the Fund and losses on sales of securities.

At year-end, the carrying value of the Borough's investment and the investment balance was \$445,343 all of which is on deposit in the aforementioned New Jersey Cash Management Fund.

### C. <u>Cash Management Plan</u>

In accordance with N.J.S. 40A:5-14, every municipality shall adopt a cash management plan and shall deposit and invest its funds pursuant to that plan. The plan shall be approved annually by majority vote of the governing body and may be modified from time to time in order to reflect changes in federal or state law or regulations. The chief financial officer shall be charged with administering the plan.

### NOTE 2. CASH AND CASH EQUIVALENTS (CONTINUED

### C. Cash Management Plan (Continued)

When an investment in bonds maturing in more than one year is authorized, the maturity of those bonds shall approximate the prospective use of the funds invested.

The plan also requires a monthly report to the governing body summarizing all investments made or redeemed since the previous report and shall include, at a minimum, the specific detailed information as set forth in the statute.

### D. <u>Credit Risk Categories</u>

All bank deposits and investments as of the balance sheet date are classified as to credit risk by the following categories described below:

	Bank B	alance
	2012	2011
<b>Depository Account</b>		
Insured: FDIC GUDPA Uninsured Escrow	\$ 750,000 14,115,895 445,343 	\$ 750,000 19,205,900 1,074,186
	\$ <u>17,314,835</u>	\$ <u>21,030,086</u>

### **Custodial Credit Risk - Deposits**

Custodial credit risk is the risk that, in the event of a bank failure, the government's deposits may not be returned to it. The Borough does not have a formal policy for custodial credit risk.

State law limits investments as noted above.

During the year, the Borough had none of its idle funds invested in repurchase agreements collateralized by eligible securities. At the close of the year, no such investments were held by the Borough.

### NOTE 3. <u>DEBT</u>

The Local Bond Law governs the issuance of bonds and notes to finance general municipal capital expenditures. Bonds are retired in serial installments within the statutory period of usefulness. Bonds issued by the Borough are general obligation bonds, backed by the full faith and credit of the Borough. Bond anticipation notes are issued to temporarily finance capital projects, prior to the issuance of serial bonds. The term of the notes cannot exceed one year but the notes may be renewed from time to time for a period not exceeding one year. All such notes must be paid no later than the tenth anniversary of the date of the original note. The State of New Jersey also prescribes that on or before the third anniversary date of the original note a payment of at least equal to the first legally payable installment of the bonds in anticipation of which such notes were issued be paid. A second legal installment must be paid if the notes are to be renewed beyond the fourth anniversary date of the original issuance and so on. Tax anticipation notes are issued if the cash on hand is not sufficient to carry on normal operations of the municipality at any time during the year. Such notes are authorized by a resolution adopted by the governing body.

### NOTE 3. <u>DEBT (CONTINUED)</u>

### A. Long-Term Debt

The Borough's long-term debt is summarized as follows:

General	Capi	tal F	und

2.875% to 4.50% General Improvement Bonds, Series A issued

### Wastewater Treatment Trust Loan - State

The Borough, during 2007 entered into a loan agreement with the State of New Jersey, Department of Environmental Protection, pursuant to the 2006 New Jersey Environmental Infrastructure Trust Financing Program. The loan consists of two agreements, a Trust Loan Agreement of \$905,000 to be repaid over a twenty year period at interest rates ranging from 4.00% to 5.00%, and a Fund Loan Agreement at \$889,142 to be repaid over a twenty year period at no interest.

The proceeds of this loan, which are in the process of being utilized, are to fund the refurbishment of the sewer system jointly between the Township of Princeton and the Borough.

### 2006 Wastewater Treatment Trust Loan Schedule

### NOTE 4. ACCRUED SICK AND VACATION BENEFITS

As discussed in Note 1 and in accordance with accounting principles prescribed by the State of New Jersey, the cash basis of accounting is followed for recording the Borough's liability related to unused vacation and sick pay. The Borough permits certain employees within limits to accumulate unused vacation and sick pay, which may be taken as time off or paid at a later date at an agreed upon rate. The estimated current cost of such unpaid compensation approximates \$792,460 and \$792,925 at December 31, 2012 and 2011, respectively. A reserve is maintained in the Other Trust Fund and has a balance of \$61,761 at December 31, 2012. In accordance with New Jersey accounting principles, this amount is not reported as an expenditure or liability in the accompanying financial statements.

### NOTE 5. FUND BALANCES APPROPRIATED

The fund balances at December 31 which have been appropriated and included as anticipated revenue in the municipal budget for the year ending December 31 of the succeeding years are as follows:

2011
\$ 800,000 111,037

### NOTE 6. TAXES COLLECTED IN ADVANCE

Taxes collected in advance set forth as cash liabilities in the financial statements, are as follows:

	Balance I	Balance December 31	
	2012	<u> 2011</u>	
Prepaid Taxes	\$ 438,120	\$ 364,221	

### NOTE 7. ASSESSMENT AND COLLECTION OF PROPERTY TAXES

New Jersey statutes require that taxable valuation of real property be prepared by the Borough Tax Assessor as of October 1 in each year and filed with the County Board of Taxation (the "Board") by January 10 of the following year. Upon the filing of certified adopted budgets by the Borough, Regional School District and County, the tax rate is struck by the Board based on the certified amounts in each of the taxing districts for collection to fund the budgets. Pursuant to statute, this process is to be completed on or before May 3, with a completed duplicate of the tax rolls to be delivered to the Borough Tax Collector (the "Collector") on or before May 13th.

Tax bills are prepared then mailed by the Collector of the Borough annually and set forth the final tax for the tax year. The bill contains a credit for preliminary amounts billed previously with the balance payable in equal installments on August 1st and November 1st of the tax year. In addition the property owner receives a preliminary bill for the succeeding year based on one half of the prior year's tax. The preliminary payments are due and payable on February 1st and May 1st. The N.J. Statutes allow a grace period of 10 days for each payment period and the Borough granted this option to taxpayers. Taxes become delinquent if not paid on the installment dates and become subject to interest penalties of 8% or 18% of the amount delinquent. If taxes are delinquent on or after April 1st of the succeeding year, the delinquent amount is subject to "Tax Sale" which places a tax lien on the property allowing the holder to enforce the tax lien by collection or foreclosure. New Jersey property tax laws establish a tax lien on real estate as of January 1st of the current tax year even though the amount due is not known.

### NOTE 8. DEFERRED CHARGES TO FUTURE TAXATION FUNDED AND UNFUNDED

Upon the authorization of capital projects, the Borough establishes deferred charges for the cost of the capital projects to be raised by future taxation. Funded deferred charges relate to permanent debt issued, whereas unfunded deferred charges relate to temporary or non-funding of the authorized cost of capital projects. According to the New Jersey Statutes Annotated 40A:2-4, the Borough may levy taxes on all taxable property within the local unit to repay the debt. Annually, the Borough raises the debt requirements for the particular year in the current budget. As funds are raised, the deferred charges are reduced.

### NOTE 9. <u>DEFERRED CHARGES TO BE RAISED IN SUCCEEDING BUDGETS</u>

As noted in Note 1, certain expenditures are required to be deferred to budgets of succeeding years. At December 31, 2012, the following deferred charge is shown on the balance sheet of the Current Fund:

	Balance <u>Dec. 31, 2012</u>
Current Fund:	
Special Emergency Authorizations	
(N.J.S. 40A:4-55)	
Revaluation	\$ 61,602
Tax Map	<u>125,000</u>
	\$ <u>186,602</u>

### NOTE 10. PENSION PLANS

Substantially all of the Borough's employees participate in one of the following pension plans which have been established by State statute, and are administered by the New Jersey Division of Pensions and Benefits ("the Division"): the Police and Firemen's Retirement System ("the PFRS"), the Public Employees' Retirement System ("the PERS") or the Defined Contribution Retirement Program ("the DCRP"). Each plan has a Board of Trustees that is primarily responsible for its administration. The Division issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the State of New Jersey, Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey, 08625-0295.

### Public Employees' Retirement System (PERS)

The PERS was established in 1955. The PERS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:15A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 92 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contribution rate was increased to 6.5% plus an additional 1.0% phased-in over seven years beginning in the first year. The phase-in of the additional incremental member contribution amount will take place in July of each subsequent year. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however the statute also requires the return to the normal rate when such surplus pension assets no longer exist.

The Borough is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions are detailed below.

### NOTE 10. PENSION PLANS (Continued)

### Police and Firemen's Retirement System (PFRS)

The PFRS was established in 1944. The PFRS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:16A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 204, P.L. 1989, plan members enrolled in the PFRS are required to contribute 8.5% of their annual covered salary. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contribution rate was increased to 10% in October 2011. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however the statute also requires the return to the normal rate when such surplus pension assets no longer exist.

The Borough is billed annually for its normal contributions plus any accrued liability. These contributions, equal to the required contributions are detailed below.

### **Defined Contribution Retirement Program (DCRP)**

The DCRP was established in 2007, under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007 (N.J.S.A. 43:15C-1 et seq.), and expanded under the provisions of Chapter 89, P.L. 2008 and Chapter 1, P.L. 2010. The DCRP Board oversees the DCRP, which is administered by Prudential Financial on behalf of the Division. The DCRP provides eligible members, and their beneficiaries, with a tax-sheltered, defined contribution retirement benefit, along with life insurance and disability coverage. Vesting and benefit provisions are established by N.J.S.A. 43:15C-1 et seq.

The contribution requirements of plan members are determined by State statute. Plan members are required to contribute 5.5% of their annual covered salary and the Township is required to contribute 3% of the annual salary. The employee contributions along with the Township's contribution for each pay period are transmitted to Prudential Financial not later than the fifth business day after the date on which the employee is paid for that pay period.

There were no Borough employees enrolled it the DCRP for the years ended December 31, 2012, 2011 and 2010.

### **Other Information**

The Borough's contributions, equal to the required contribution for each fiscal year, were as follows:

		2012		2011		2010
	PERS	PFRS	PERS	PFRS	PERS	PFRS
Normal Contribution	\$ 183,864	\$ 294,780	\$ 214,436	\$ 470,830	\$ 193,672	\$ 410,276
Accrued Liability	367,728	331,753	341,689	377,530	248,845	$\frac{292,294}{702,570}$
Total Regular Pension Contribution	551,592	626,533	556,125	848,360	442,517	102,370
Non-Contributory Group Life Insurance	35,143	22,949	42,237	36,901	61,367	35,719
Total Due	\$ 586,735	\$ 649,482	\$ 598,362	\$ 885,261	\$ 503,884	\$

The Division does not invest in securities issued by the Borough.

### NOTE 11. OTHER POST-EMPLOYMENT BENEFITS

### Plan Description

The Borough contributes to the State Health Benefits Program ("SHBP"), a cost-sharing, multiple-employer defined benefit post-employment healthcare plan administered by the State of New Jersey Division of Pensions. SHBP was established in 1961 under N.J.S.A. 52:14-17.25 et seq., to provide health benefits to State employees, retirees, and their dependents. Rules governing the operation and administration of the program are found in Title 17, Chapter 9 of the New Jersey Administrative Code. SHBP provides medical, prescription drugs, mental health/substance abuse, and Medicare Part B reimbursement to retirees and their covered dependents.

The SHBP was extended to employees, retirees, and dependents of participating local public employers in 1964. Local employers must adopt a resolution to participate in the SHBP. In 2004, the Borough authorized participation in the SHPB's post-retirement benefit program through Resolution Number 2004-894. The Borough adopted the provisions of Chapter 88, P.L. 1974 that provides medical benefits to any employee who has over 25 years of pension service credit.

The State Health Benefits Commission is the executive body established by statute to be responsible for the operation of the SHBP. The State of New Jersey Division of Pensions and Benefits issues a publicly available financial report that includes financial statements and required supplementary information for the SHBP. That report may be obtained by writing to: State of New Jersey Division of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625-0295 or by visiting their website at <a href="https://www.state.nj.us/treasury/pensions">www.state.nj.us/treasury/pensions</a>.

### **Funding Policy**

Participating employers are contractually required to contribute based on the amount of premiums attributable to their retirees. Post-retirement medical benefits under the plan have been funded on a pay-asyou-go basis since 1994. Prior to 1994, medical benefits were funded on an actuarial basis.

Contributions to pay for health premiums of participating retirees in the SHBP are billed to the Borough on a monthly basis.

The Borough contributions to SHBP for the years ended December 31, 2012, 2011 and 2010 were \$526,474, \$447,855, and \$390,892, respectively, which equaled the required contributions for each year. There were approximately 35, 33, and 31 retired participants eligible at December 31, 2012, 2011 and 2010, respectively.

### NOTE 12. RISK MANAGEMENT

The Borough is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Borough is a member of the Mid- Jersey Municipal Joint Insurance Fund, and the Municipal Excess Liability Fund, public entity risk pools currently operating as a common risk management and insurance programs for municipalities within the state. The Borough pays an actuarially determined annual assessment to Mid-Jersey Joint Insurance Fund for its insurance coverage and that of the Municipal Excess Liability Fund. Supplemental assessments may be levied to supplement the funds. The Borough has not been notified on any supplemental assessments.

Settled claims resulting from these risks have not exceeded insurance coverage in any of the past three years.

### NOTE 13. CONTINGENT LIABILITIES

### State and Federal Financial Assistance

The Borough receives financial assistance from the State of New Jersey and the U.S. government in the form of grants. Entitlement to the funds is generally conditional upon compliance with terms and conditions of the financial assistance agreements and applicable regulations, including the expenditure of the funds for eligible purposes. Substantially all grants, entitlements and cost reimbursements are subject to financial and compliance audits by grantors. As a result of these audits, costs previously reimbursed could be disallowed and require repayment to the grantor agency. As of December 31, 2012, the Borough estimates that no material liabilities will result from such audits.

### **Major Tax Assessments**

Taxpayers in 2012 with assessments in excess of 1% of the total assessed valuation were as follows:

	Assessed	% of
Owner	Value	<u>Value</u>
Trustees of Princeton University	\$ 188,256,900	8.61%
PSN Partners	33,800,000	1.55%
Palmer Sq Ltd. Properties	33,310,000	1.52%
Nassau Inn Ltd. Partnership	26,000,000	1.19%
Nassau Street LLC	24,733,900	1.13%

### **Pending Litigation**

There are actions which have been instituted against the Borough which are either in the discovery stage or whose final outcome cannot be determined at the present time. In the opinion of the administration, the amount of ultimate liability with respect to these actions will not materially affect the financial position of the Borough.

It is the opinion of the Borough officials that there is no litigation threatened or pending that would materially affect the financial position of the Borough or adversely affect the Borough's ability to levy, collect and enforce the collection of taxes or other revenue for the payment of its bonds or other obligations.

The Borough officials believe that negligence and other types of liability suits, of which the Borough is aware, appear to be within the stated policy limits and would be deferred by the respective carriers.

### NOTE 14. <u>INTERFUND RECEIVABLES AND PAYABLES</u>

The following interfund balances remained on the balance sheets at December 31, 2012:

	Interfund Receivable	Interfund <u>Payable</u>
Current Fund Animal Control Trust Fund Other Trust Fund	\$ 306,131	\$ 235,746 5,965 441,318
General Capital Fund Affordable Housing Utility Capital Fund Affordable Housing Utility Operating Fund	232,746 119,033 441,152	1,275 117,758
Assessment Trust Fund Payroll Fund	3,000	300,000
	\$ <u>1,102,062</u>	\$ <u>1,102,062</u>

### NOTE 15. CONSOLIDATION

On November 8, 2011 the residents of Princeton Borough and Princeton Township voted to consolidate their Municipalities. The merger took effect January 1, 2013 and the newly consolidated entity is named Princeton. All financial matters for the consolidated entities were assumed by Princeton.

### AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN

### ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

### INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and Members of Princeton Council County of Mercer Princeton, New Jersey

and to the former

Honorable Mayor and Members of the Borough Council Borough of Princeton County of Mercer Princeton, New Jersey

We have audited, in accordance with the auditing standards generally accepted in the United States of America, audit requirements prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey (the "Division") and the standards applicable to financial statements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements - regulatory basis of the Borough of Princeton, (the "Borough"), in the County of Mercer, State of New Jersey, as of and for the years ended December 31, 2012 and 2011, as listed in the table of contents, and the related notes to the financial statements, which collectively comprise the Borough's financial statements, and have issued our report thereon dated October 15, 2013. These financial statements have been prepared in conformity with accounting principles prescribed by the Division, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Borough's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstance for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control.

### **Internal Control Over Financial Reporting (Continued)**

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe then a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identity all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Borough's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. We noted certain matters that we reported in the comments and recommendations section of this report.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM

### AND ON INTERNAL CONTROL OVER COMPLIANCE

### **REQUIRED BY OMB CIRCULAR A-133**

### INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and Members of Princeton Council County of Mercer Princeton, New Jersey

and to the former

Honorable Mayor and Members of the Borough Council Borough of Princeton County of Mercer Princeton, New Jersey

### Report on Compliance for Each Major Federal Program

We have audited the Borough of Princeton's (the "Borough") compliance with the types of compliance requirements described in the U.S. Office of Management and Budget ("OMB") *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Borough's major federal programs for the year ended December 31, 2012. The Borough's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

### Auditor's Responsibility

Our responsibility is to express opinions on compliance for each of the Borough's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the Unites States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; OMB *Circular A-133*, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB *Circular A-133* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Borough's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major program. However, our audit does not provide a legal determination of the Borough's compliance.

### Opinion on Each Major Federal Program

In our opinion, the Borough, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2012.

### Report on Internal Control Over Compliance

Management of the Borough is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Borough's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB *Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Borough's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

### Report on Internal Control Over Compliance (Continued)

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified..

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB *Circular A-133*. Accordingly this report is not suitable for any other purpose.

### **TOWNSHIP OF PRINCETON - COUNTY OF MERCER**

### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

### YEAR ENDED DECEMBER 31, 2012

### NOTE 1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards includes grant activity of the Borough of Princeton and is presented on the regulatory basis of accounting (as described in note 1C. of the financial statements). The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations". Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the financial statements as noted below:

Expenditures, as reported on the accompanying Schedule of Expenditures of Federal Awards, reflects cash disbursements and outstanding encumbrances charged directly to a grant program, expenditures incurred on behalf of the Borough of Princeton (as described in Note 2 below) are as follows:

Source		Amount
Current Fund	\$	12,345.71
Grant Fund		8,135.72
General Capital Fund		745,192.51
Township of Princeton		319,833.38
	\$ 1	,085,507.32

### NOTE 2. PUBLIC WASTEWATER FACILITIES CAPITALIZATION GRANTS FOR STATES LOANS

The Borough of Princeton (the Borough) and the Township of Princeton (the Township) share jointly in the funding of capital sewer projects for the Public Wastewater Facilities Capitalization Grants for States Loans.

Therefore, there were projects awarded and expended by the Borough as well as the Township. Consequently, \$319,833 was the Borough's share of loan expenditures paid by the Township which is included on the accompanying schedule of expenditures of federal awards.

Expenditures relating to the Borough's loan were based on estimates calculated by the engineer for the joint sewer projects.

Due to the uncertainty of origination of funds through the pass-through entity (State of New Jersey) all expenditures and receipts are being reflected as federal activity.

### NOTE 3. <u>CONTINGENCIES</u>

Each of the cognizant agencies reserves the right to conduct additional audits of the Borough's grant programs. Management does not believe such audits would result in material amounts of disallowed costs.

This section identifies the reportable conditions, material weaknesses, and instances of noncompliance including questioned costs, related to the audit of major federal programs, as required by OMB Circular A-133.

Finding: None

Criteria or specific requirement: N/A

Condition: N/A

Questioned Costs: N/A

Context: N/A

Effect: N/A

Recommendation: N/A

An audit of the financial accounts and transactions of the Borough of Princeton, in the County of Mercer, for the year ended December 31, 2012, has recently been completed. The results of the audit are herewith set forth.

### **SCOPE OF AUDIT**

The audit covered the financial transactions of the Chief Financial Officer, Tax Collector, the activities of the Mayor and Borough Council, and the records of the various outside departments.

The audit did not and could not determine the character of services rendered for which payment had been made or for which reserves had been set up, nor could it determine the character, proper price or quantity of materials supplied for which claims had been passed. These details were necessarily covered by the internal review and control before approval of such claims by the governing body.

Cash on hand was counted and cash balances were reconciled with independent certifications obtained directly from the depositories.

The accrued and realized revenues for the various Borough Departments as shown on the Statement of Revenues and Schedule of Revenue Accounts Receivable are presented as recorded in the Borough records.

### GENERAL COMMENTS

### Contracts and Agreements Required to be Advertised per N.J.S. 40A:11-4a

N.J.S. 40A:11-4a states "Every contract awarded by the contracting agent for the provision or performance of any goods or services, the cost of which in the aggregate exceeds the bid threshold, shall be awarded only by resolution of the governing body of the contracting unit to the lowest responsible bidder after public advertising for bids and bidding therefor, except as is provided otherwise in this act or specifically by any other law." The amount set forth pursuant to the above statute was \$17,500 for municipalities without a qualified purchasing agent (QPA) and \$36,000 with a qualified purchasing agent. In 2011, it was noted that the Division of Local Government Services adopted a temporary rule that permits municipalities to increase their bid threshold to \$26,000 for a person meeting certain eligibility requirements for the future anticipated QPA certification exam. The Borough's bid threshold was \$26,000 for the year under audit.

The governing body of the municipality has the responsibility of determining whether the expenditures in any category will exceed the above statutory limitation within the fiscal year. Where questions arise as to whether any contract or agreement might result in violation of the statute, the Borough Counsel's opinion should be sought before a commitment is made.

The minutes indicate that resolutions were adopted and advertised authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S. 40A:11-5.

Inasmuch as the system of records did not provide for an accumulation of payments for categories for the performance of any work or the furnishing or hiring of any materials or supplies, the results of such an accumulation could not reasonably be ascertained. Disbursements were reviewed, however, to determine whether any clear-cut violations existed.

### Contracts and Agreements Required to be Advertised per N.J.S. 40A:11-4a (Continued)

The compliance review of expenditures did not reveal any individual payments or contracts in excess of the statutory limit other than those where bids had been previously sought by public advertisement or where a resolution had been previously adopted under the provisions of N.J.S.A. 40A:11-4.

### Contracts or Agreements not Required to be Advertised per N.J.S. 40A:11-6.1

N.J.S. 40A:11-6.1 states "For all contracts that in the aggregate are less than the bid threshold but 15 percent or more of that amount..... the contracting agent shall award the contract after soliciting at least two competitive quotations, if practicable."

We conducted a compliance review of the procedures and policies for securing quotations for purchases referred to above which indicated that the procedures were implemented to ensure statutory compliance and that quotes had been solicited as required by the statute.

### **Collection of Interest on Delinquent Taxes and Assessments**

N.J.S. 54:4-67, as amended, provides the method for authorizing interest and the maximum rates to be charged for the nonpayment of taxes or assessments on or before the date when they would become delinquent.

The governing body on March 27, 1980 adopted a resolution, pursuant to the provisions of R.S. 54:4-67, fixing the interest rate on delinquent taxes or assessments at 8% per annum on the first \$1,500 of the delinquency and 18% per annum to be charged on any amount in excess of \$1,500. In addition, any delinquent taxes outstanding related to a previous calendar year in excess of \$10,000 incurs a 6% surcharge.

It appears from an examination of the collector's records that interest was generally collected in accordance with the foregoing resolution.

### **Delinquent Taxes and Tax Title Liens**

The last tax and utility lien sale was held on December 7, 2012 and was not complete.

**Finding** - Certain special assessments subject to tax sale were omitted.

Inspection of tax sale certificates on file revealed that all certificates were available for audit.

The following comparison is made of the number of tax title liens receivable on December 31 of the last three years:

	Number
<u>Year</u>	of Liens
2012	1
2011	1
2010	1

### **Verification of Delinquent Taxes**

A test verification of delinquent charges and current payments was made in accordance with the regulations of the Division of Local Government Services using alternative procedures.

### **Public Assistance**

The Director of Public Assistance maintains a petty cash bank account used for all General Assistance disbursements.

A separate Public Assistance Trust bank account was maintained by the Borough Treasurer, into which receipts were deposited. Disbursements were made from this account to reimburse the Petty Cash bank account.

An audit of the Public Assistance Fund was performed and the required report was filed with the Department of Human Services, Division of Family Development.

### Miscellaneous

All sums of outstanding checks, reflected in cash reconciliations herein, are in agreement with the records of the Treasurer, as well as with independent lists made part of this audit.

A report summarizing collections of Animal License Fees and remittances of State Registration Fees has been prepared and filed with the New Jersey Department of Health and the Division of Local Government Services.

A statutory report on the operations of the Municipal Court has been prepared and copies filed with the New Jersey Administrative Office of the Courts, the Division of Local Government Services, the Municipal Court and the Borough Clerk.

Individual payments of the Regional School District Tax by the municipality were confirmed using alternative procedures for the year 2012.

In our verification of expenditures, no attempt was made to establish proof of rendition, character or extent of services nor quantities, nature, propriety of prices or receipt of materials, these elements being left necessarily to internal review in connection with approval of claims.

The propriety of deductions from individual employee salaries for pensions, withholding tax, social security and other purposes was not verified as part of this examination. Remittances to authorized agencies, however, were ascertained.

A summary or synopsis of this report was prepared for publication and filed with the Borough Clerk.

### FOLLOW-UP OF PRIOR YEAR FINDINGS

In accordance with Government Auditing Standards our procedures included a review of all prior year findings. There were no prior year findings that needed to be addressed in 2012.

### **FINDINGS/RECOMMENDATIONS**

None

### **ACKNOWLEDGEMENT**

We desire to express our appreciation for the assistance and courtesies rendered by the Borough officials and employees during the course of the audit.

The foregoing comments are not of sufficient materiality whereby they would affect our ability to express an opinion on the financial statements taken as a whole.

Should any questions arise as to our comments, please contact us at your earliest opportunity.
