(\*) Plot Plan prepared by a Licensed New Jersey Professional Engineer required.

\*\* Addition of 400 sq. ft. or greater requires Engineering Approval 10B-246.1

## R-2 ZONING DISTRICT

**Zoning Information:** In accordance with Section 17A-232 of Princeton Land Use Ordinance, the schedule of bulk regulations for single-family dwellings provides required dimensions for each item being regulated. These regulations are indicated in Column “A”. In “Column “B” list those proposed dimensions as shown on the proposed property survey plan and building drawings as it pertains to your development.

| Bulk Regulation                                | Column “A”            | Column “B” |
|--|-----------------------|------------|
| <u>Maximum Permitted</u>                       |                       |            |
| (1) Height                                     | 3 stories or 35 ft.   |            |
| (2) Coverage                                   | 25%                   |            |
| (3) FAR  | 30%                   |            |
| <u>Minimum Required</u>                        |                       |            |
| (1) Lot area per dwelling unit                 | 10,000 sf.            |            |
| (2) Lot width                                  | 75 ft.                |            |
| (3) Lot depth                                  | 100 ft.               |            |
| (4) Front yard                                 | 30 ft.                |            |
| (5) Mean Prevailing Front yard**               | Contact Zoning Office |            |
| (6) Combined side yard                         | 25 ft.                |            |
| (7) Smaller side yard                          | 10 ft.                |            |
| (8) Rear yard                                  | 35 ft.                |            |
| (9) Building height to setback ratio (maximum) | 2.0:1                 |            |

\*\*See Section 17A-376.1 Mean Prevailing front yard setback (as Amended)

### Sec. 10B-246.1. Maximum permitted residential lot impervious coverages.

Residential lots shall be subject to the following maximum impervious coverage limits

| Lot Size (Acres) | Maximum Permitted<br>Impervious Coverage |
|------------------|--|
|                  | Percent                                  |
| 4 and greater    | 14.0                                     |
| 3 to 3.99        | 15.0                                     |
| 2 to 2.99        | 17.0                                     |
| 1.5 to 1.99      | 19.5                                     |
| 1 to 1.49        | 22.5                                     |
| 0.75 to 0.99     | 25.5                                     |
| 0.5 to 0.749     | 29.0                                     |
| 0.25 to 0.49     | 36.0                                     |
| 0.1 to 0.249     | 49.5                                     |
| Less than 0.1    | 61.5                                     |
